Rationale

KCC is committed to maintaining high standards of safeguarding and to the policies and practices that schools and governing bodies employ to keep children safe and promote their well-being.

KCC is committed to safeguarding and promoting the welfare of children and everyone in our community has a responsibility for child protection. The health, safety and well-being of all our children is of paramount importance to all the adults who work in our school.

Aim

Our children have the right to protection, regardless of age, gender, race, culture or disability. They have a right to be safe in our school. Protecting children is everyone's responsibility at our school and this includes reporting any act (committed by a parent, guardian or any other person) to a child enrolled in the school which results in neglect, physical or emotional injury or sexual harm.

The aim of the safeguarding policies is:

- to provide a safe environment for children to learn in
- to establish what actions staff can take to ensure that children remain safe, at home as well as at the school
- to identify children who are suffering, or likely to suffer, significant harm
- to ensure effective communication between all staff on child protection issues
- to set down the correct procedures for those who encounter any issue of safeguarding

Safeguarding Policies

At KCC, safeguarding is specifically covered in the following six policies:

- Safeguarding/health and safety
- Safeguarding/e-safety
- Safeguarding/child protection
- Safeguarding/attendance and punctuality
- Safeguarding/behaviour
- Safeguarding/health and wellbeing
