Ms. Abi

Dear KCC Community,

As we finish our second week of the school year with Cobra Friday, we celebrate the uniqueness of each student in our vibrant community.

It was wonderful to meet with the Parent Team this week and hear about their exciting plans for the year ahead. We are so grateful for the commitment of our parents and for working in partnership with us to create the best possible experience for our students.

At KCC, we remain deeply committed to our core value of 'opening doors'—providing every student with the opportunity to discover their passions and explore new horizons.

Through the IB Learner Profile, we encourage students to embody knowledge, courage, and connection, enabling them to grow in understanding, take brave steps toward new challenges, and build meaningful relationships within our community. With after-school clubs starting soon, even more doors will be open for students to explore their interests, collaborate with peers, and pursue their unique pathways.

Together, we continue to inspire and support each other in our shared journey of lifelong learning.
