**Ms. Abi**  
Principal

Dear Parents,

What an exciting and productive week it's been at KCC! Along with Michael and Rachel, I had the privilege of attending Tribal Inspector training, which was incredibly insightful. The knowledge and skills we've gained will undoubtedly contribute to raising the standards of learning and teaching across the school. We're eager to implement these strategies and see the positive impact on our students' education.

While we consistently focus on all Approaches to Learning (ATLs) at school, this week, I want to take a moment to highlight the ATL of being "open-minded" so that families can support this development at home. Open-mindedness means being receptive to different perspectives, respecting the views of others, and considering new ideas. At home, you can foster this by encouraging your children to ask thoughtful questions, engage in conversations about different cultures, or explore new experiences, like reading diverse books or trying a new activity. These simple actions help nurture empathy and broaden their understanding of the world.

I'd also like to thank you all for your continued cooperation with the new procedures at the Gate 1 drop-and-go zone. Your support in following the guidelines has helped make the mornings smoother and safer for everyone.

Lastly, it was a pleasure to welcome a team from ADEK's Teaching and Learning department to our Early Years this week. We had meaningful conversations, and I'm excited about deepening this relationship to further enhance the experiences of our youngest learners.

Wishing you all a restful weekend,  
Abi

### Security and Lanyard Policy Reminder

At Raha KCC, the safety of our children is our top priority. To ensure this, our security team and staff are instructed to challenge anyone entering the school premises without a visible lanyard.

Parents, please remember to wear your **red lanyard at all times** while on campus. We appreciate your understanding and cooperation as our staff works to ensure a safe environment for everyone. Let's all support each other in maintaining this standard, and please be kind to our team as they help enforce this important safety measure.

### Drop and Go Zone

We are pleased to share that the Drop and Go zone has been operating smoothly, thanks to your cooperation!

Reminder, this designated area is designed for a **quick drop-off**, so please remember that **parking is not allowed**. Our team has been doing an excellent job of keeping traffic flowing, ensuring minimal disruption to the roads nearby. Let's continue to work together to make this process as seamless as possible for everyone.

We are pleased to announce that all students have successfully completed a walkthrough of our evacuation procedures. This important safety measure ensures everyone is familiar with what to do in the event of an emergency. Our next focus will be on conducting a full school evacuation practice to further enhance our preparedness.
