Khalifa City Campus

We hope everyone had a fantastic Union Day weekend!

It's always a great time to relax, spend time with loved ones, and reflect on the progress our country has made. As we celebrate 53 years of growth and achievement, we send our best wishes to the nation and its leaders for continued success and prosperity.

In the IB program, being reflective is an essential part of personal growth and learning. Reflective learners take time to think about their learning, experiences, and actions. They recognize their strengths and areas where they can improve, always looking for ways to grow and make meaningful contributions to their communities.

Wishing you a wonderful weekend and, if you are watching it, enjoy the FI!
