### Welcome Back to the Second Half of Term 2!

Dear Parents, Students, and Staff,

I hope you all had a restful break and are feeling refreshed for the second half of Term 2!

There's a lot to look forward to over the next few weeks.

This year we have been introducing the SPIRE Wellbeing Approach at KCC. This framework is designed to support the overall wellbeing of our students, and it aligns with ADEK's new wellbeing plans. We're also proud to have been invited to take part in the ADEK Wellbeing Mark Pilot, which is a fantastic opportunity to further develop our commitment to student wellbeing.

In addition, we're excited to have been nominated for the ADEK Anti-Bullying Award in recognition of the restorative work we do around student relationships and conflict resolution. At KCC, we recognize that children's behaviors develop over time, and our role is to support and guide them as they grow. Our restorative approach helps students take responsibility for their actions, repair relationships, and build a positive community, values that are deeply connected to both the IB philosophy and the principles of the UAE.

I'm looking forward to discussing SPIRE and our wellbeing initiatives with you all over the next five weeks. Thank you for being part of our journey, we're excited for what's ahead!

Abi

Principal

## Nominated for Best Anti-Bullying Program Award

With 2025 declared the Year of Community by His Highness Sheikh Mohamed bin Zayed Al Nahyan, this recognition is even more meaningful to us, as fostering a strong community has always been at the heart of what we do.

Thank you to the KCC Community!
