### Rationale

KCC is committed to maintaining high standards of safeguarding and to the policies and practices that schools and governing bodies employ to keep children safe and promote their well-being.

KCC is committed to safeguarding and promoting the welfare of children and everyone in our community has a responsibility for child protection. The health, safety and well-being of all our children is of paramount importance to all the adults who work in our school.

### Aim

Our children have the right to protection, regardless of age, gender, race, culture or disability. They have a right to be safe in our school. Protecting children is everyone's responsibility at our school and this includes reporting any act (committed by a parent, guardian or any other person) to a child enrolled in the school which results in neglect, physical or emotional injury or sexual harm.

The aim of the safeguarding policies is:

- to provide a safe environment for children to learn in
- to establish what actions staff can take to ensure that children remain safe, at home as well as at the school
- to identify children who are suffering, or likely to suffer, significant harm
- to ensure effective communication between all staff on child protection issues
- to set down the correct procedures for those who encounter any issue of safeguarding

## Safeguarding Policies

At KCC, safeguarding is specifically covered in the following six policies:

- Safeguarding/health and safety
- Safeguarding/e-safety
- Safeguarding/child protection
- Safeguarding/attendance and punctuality
- Safeguarding/behaviour
- Safeguarding/health and wellbeing
