As we wrap up Term 2, we celebrate the incredible journey we have shared as a community, filled with rich learning experiences, joyful celebrations, and a continued commitment to our students' growth and well-being. We extend our heartfelt gratitude to our dedicated teachers, hardworking administration and leadership team, supportive parents, and, most importantly, our wonderful students for their efforts, enthusiasm, and engagement throughout the term. Among the many memorable moments, our beautiful International Day showcased our community's diversity, while our Iftar gathering brought us closer in the spirit of togetherness and reflection. A special thank you to our Parent Team and the National Identity Committee for their invaluable support in making these events so special.

Additionally, we extend our thanks to parents for completing the SAB Parent Survey. Your feedback is crucial in helping us refine and enhance our school experience. We deeply appreciate your recognition of the improvements we are making, particularly in alignment with our three School Development Priorities and in the area of communications. Your insights matter, and we remain committed to continuous growth and development for the remainder of the year.

Following parent requests, we are excited to announce that in Term 3, we will be hosting two parent sessions:

- One on the Secondary Behaviours for Learning Guidelines
- Another on the Alternative Senior Years Pathways, which we plan to introduce in August 2026.

We are also pleased to share the SPIRE overview. This framework ensures that our students receive holistic support across all areas of well-being. Parents can find more information about the curriculum here, [SPIRE at KCC](#).

Next term, my Principal's Message in Raha Reminders will focus on:

- The three domains of the National Identity Framework:
 1. Culture
 2. Values
 3. Citizenship
- The six Performance Standards of the UAE Inspection Framework

By continuing this journey together, parents, educators, and students, we ensure that our children are not only academically successful but also emotionally resilient, culturally aware, and equipped with the skills to navigate an ever-changing world.

Thank you once again for your unwavering support. We look forward to another enriching term ahead!

Warm regards,

Ms. Abi, Principal

We are delighted to announce that Geetha will be stepping into the role of HR Advisor and Hiba will be taking on the position of PA to the Principal, hfiroze@ris.ae. Both of these appointments come from within our talented KCC team, and we could not be prouder.

At Raha KCC, we are deeply committed to developing our staff, fostering leadership, and ensuring strong succession planning. These internal promotions are a testament to our belief in Opening Doors to Opportunities, for our students, our families, and our staff.

As John C. Maxwell so wisely said, "A leader is one who knows the way, goes the way, and shows the way."

Please join us in congratulating Geetha and Hiba on their well-deserved new roles. We know they will continue to contribute to the success and spirit of our wonderful community!

It is with mixed emotions that we say farewell to Jen, our wonderful PA to the Principal, as she embarks on an exciting new chapter in her career over the holiday break. This is a fantastic opportunity for her and her family, and while we will miss her greatly, we are thrilled for what lies ahead. Jen has been an incredible force of support, from her early days at Gardens Campus to playing a pivotal role in establishing KCC. She has truly done it all!

Something you may not know is that Jen quite literally left her mark on our school; her handprint is set in the concrete from when KCC was being built, making her a permanent part of our foundation in more ways than one! While she may be leaving her role, as a Raha staff member, we know our connection with her will remain strong.

If you would like to say a personal farewell to Jen as she steps away from her role as PA to the Principal, and at the same time, welcome her back into the Raha parent community, she will be available at the end of the school day on Friday. This is a wonderful opportunity to share your best wishes and show appreciation for all that she has done for our community.

Thank you, Jen, for everything you have done; you will always be part of the Raha family!
