

MESSAGE FROM The Principal

Dear KCC Families,

It has been a real pleasure to see so many parents participate in the MYP Parent Experience this week. Our IB philosophy is a key reason why we are the school of choice. The MYP event allowed our community to actively see our MYP IB in action and thank you to every member of our community that attended, it was brilliant to see.

We look forward next week to seeing our DP families so do look out for the timings for that one. Week 3 of any academic year is the time when systems and routines become more established and we really begin to find that flow, thank you for the support here in all that you do whether it be timely responses to communication, actions we request or just the smiles on the gate each day, we are proud to collaborate with our KCC community and we look forward to a brilliant term ahead.

As we continue our journey towards CIS reaccreditation, we would like to reflect on how well we are meeting our commitment to high-quality education and continuous improvement. Your honest and constructive input will play a vital role in shaping the future direction of our school. Please consider the following KCC guiding statements as you complete this survey.

Our Mission and Vision

Our educational philosophy is firmly rooted in our core commitment 'to open doors' and supported by our Mission and Vision

Our Forever

PYP ARABIC MEET THE TEACHER Tuesday, 23rd September

More information with timings and locations will be released in next week's KCC Catch-Up.

PYP COFFEE & CONNECT Thursday, 25th September (8–9am)

This interactive session invites parents to step into the shoes of their children and experience the Primary Years Programme (PYP) firsthand.

Parents will actively engage in a hands-on inquiry, exploring big ideas, solving challenges, and reflecting on their learning just as students do every day. Through this shared experience, families will gain a deeper understanding of how the PYP nurtures curiosity, develops essential skills, and builds internationally minded learners. Participants will leave with practical insights into the language of the PYP (concepts, learner profile, and approaches to learning) and ideas for supporting inquiry at home.

DIPLOMA PROGRAMME PARENT EVENING Tuesday, 16th September (5:30–7pm)

The DP Parent Evening is a valuable opportunity for DP1 parents to connect with the teachers and staff who are guiding students through the Diploma Programme.

We will begin in the Black Box Theatre with a general information session led by the DP Coordinator, Mr. Luke, alongside Mr. Stephen (Learning and Teaching Lead for DP), Ms. Ranjini (Extended Essay Coordinator), and Ms. Carole (Creativity, Activity, Service Coordinator).

Following the introductions and overview, parents will have the chance to meet individually with their child's course teachers. These sessions will provide insight into the content, skills, assessments, and timelines of each subject. Parents are warmly encouraged to ask questions and engage in conversation with teachers to better understand the journey ahead for their students.
