MESSAGE FROM The Principal

Dear KCC Families,

Writing my section of the KCC newsletter always presents a unique challenge: how can we truly do justice to the abundance of wonderful activities, events, and student achievements that take place here on campus each day?

This week is no exception; there have been so many inspiring moments worth sharing. During the previous week our entire school community were united in a heartfelt show of support and solidarity for anyone impacted by breast cancer, as well as families affected by this disease. This collective effort during what was named 'Pink Day' was a powerful reminder of the strength and compassion that transcends throughout our school.

Events like this not only shine a light on important causes such as breast cancer awareness and the importance of funding research, but they also provide invaluable opportunities for us to come together, engage in meaningful conversations, and at the same time raise essential funds for ongoing medical research into breast cancer. Through a variety of fundraising activities we managed to raise a significant total of over 2500 AED. This is an achievement of which our whole community can all be extremely proud. I would like to extend my sincere thanks to our dedicated parent committee, our inspiring guest speaker, Dr. Fathima Zahra from Burjeel Cancer Institute, our students, and every member of staff who contributed to making this event such a success!

This week we promoted internally our staff wellbeing committee. We're so lucky to have such a caring community where strong relationships and genuine support shine every day. Across the school, there are already so many lovely wellbeing and social initiatives happening both inside and outside of school and I wanted to share this news on behalf of Miss Megan, Head of Staff Wellbeing. Our staff work tirelessly and over the span of my own educational leadership career I know just how important it is to our parents and families that their child is cared for, educated and inspired by a member of staff who feels valued, supported and can thrive. As a senior leadership team we are wholeheartedly committed to supporting those around us and making wellbeing at the very centre of all that we do.

Finally, it was a privilege to see our MYP and DP students this week in assembly. The DP parent student lunch offering by our KCC Parent Team was another special moment to celebrate a key milestone our DP Grade 12s have as they move closer to the final stages of their KCC final exams and revision period. We are proud of each and every one of them.

Enjoy this week's addition of KCC catch up and I look forward to seeing you on site soon.

Best Wishes,

Mr Peter
Principal
