## Fire Drill with Civil Defence

98.5%

On Monday 16th February, our school conducted a fire drill in collaboration with Civil Defence. We are proud to share that it was rated as one of the strongest drills observed by the Civil Defence representatives.

Our **overall performance score was 98.5%**, reflecting the outstanding commitment of our staff and students and their clear understanding of their roles and responsibilities during an evacuation. The drill demonstrated excellent cooperation, effective communication, and strong reporting procedures throughout the exercise.

We are incredibly proud of our KCC community for supporting one another and responding with such professionalism and care. This level of preparedness gives us great confidence that, in the event of a real emergency, we are ready to act safely and efficiently.

### KCC Caring Boxes

23-27 February & 2-6 March

Each Class/Osrah will be allocated an item to bring in, as a contribution to our amazing site team. Classes will pack a box of all the items to be distributed in the last week of Ramadan by our caring students.

Please bring in at least one item as allocated to your class and anything else you wish to contribute also.

**EY & PYP** - Please bring the items to your classroom.

**MYP/DP** - Please drop (carefully) your items into the Osrah boxes on the 2nd floor near F block.

## National Identity Word

This week, we welcomed Ramadan by exploring our National Identity word of the week, Sabr (patience). Students learned how fasting nurtures self-discipline, gratitude, and empathy. Through our IB Learner Profile focus on Inquirers, they explored key Ramadan vocabulary, investigated the meaning of key words related to fasting, and developed thoughtful questions about how to support friends who are fasting.
