

Message From The Principal

Dear KCC Families,

I sincerely hope this message finds you safe and well. As I mentioned in my recent communication to all parents, we miss what we have grown accustomed to: being at KCC each day, thriving together through face-to-face learning.

I remain confident in saying that we will return as soon as it is safe to do so. The moment we can come back will be simply outstanding, with the joy of seeing our families at drop-off, the smiles of our KCC “superstars”, and the pleasure of being together as a school community once more. We will get there, just not yet.

For now, we accept that distance learning continues for the right reasons. I want to personally thank our incredible teachers for their thoughtfulness, creativity, and sheer passion for the learning they are delivering during this time. That sense of KCC familiarity, especially in challenging moments is something our students will truly benefit from. Our staff have managed so well, given the situation including aspects like the recent decision to move the spring break forward, subsequently altering travel plans, then navigating through family life, and swiftly transitioned to distance learning. I could not be more thankful or proud of them.

This week, I used the phrase “We miss you” for our children, and it is absolutely true. School leadership often means working alongside the significant energy that young people bring. I absolutely love it and feel forever grateful to work in an environment that offers such an awesome vibe each day. It is at times like these that you truly feel that loss; however, these periods are not permanent, and as time passes, all will return to what we know and love.

Our students have had an excellent week online. Thank you to all households for providing the structure and routine required for students to continue making progress, connect with peers, and focus on their learning.

And finally, I had hoped to share this before our mid-term break, but I would like to extend my sincere thanks to Ms. Anna Lacey, Head of Early Years, and Ms. Hiba, my Executive Assistant, who moved on from KCC. As many of you know, Anna played a pivotal role in opening KCC and was instrumental in shaping it into the exceptional school it is today. Both have made a lasting impact on our community, and I wish them every success in their future.

Wishing everyone an excellent weekend when it arrives.

Yours sincerely,
Mr Peter
Principal
