

## Messages From The SLT

Dear KCC Families,

We continue to navigate this period together, and as days turn into weeks, we recognise how much families are balancing: home, work commitments, and supporting your children with distance learning. We truly appreciate everything you are doing.

It is often during times of challenge, rather than in moments of normality, that the strength of a partnership is truly seen. Your support and commitment continue to demonstrate what Stronger Together really means.

We look forward to the time when we can return to what we know and love at KCC. Until then, please know that all of our efforts, energy, and expertise are focused on delivering the very best experience for every child.

Dear KCC Community,

A great week for distance learning with PE activities that ranged from parkour to swimming lessons in your living room! Elsewhere, Personal Projects have been handed in by G10. Big smiles and a great sense of achievement. A true example of our learners demonstrating independence, perseverance, and pride in their learning.

Thank you, to all students and staff for navigating this period with resilience, reflection, and a strong sense of community.

Hi KCC Families,

I would like to give a huge shoutout to our incredible students, dedicated teachers, and supportive parents.

This week, I had the privilege of joining several live lessons, and I have been truly impressed by what I've seen. Our teachers continue to reflect on and refine their online practice, exploring innovative ways to keep students engaged and connected. There has been fantastic use of technology across the PYP to enhance learning and support student engagement. Toddle AI is being used purposefully and effectively with our Grade 5 students.

Most importantly, our students continue to shine. They are demonstrating resilience, adaptability, and a positive attitude during this time. In our recent 1:1 check-ins, many shared that while they are doing well, they deeply miss being on campus and spending time with their friends, something we all feel.

I would also like to thank our parents for your ongoing support. We truly appreciate your constructive feedback, as well as the many kind messages of thanks and appreciation. We look forward to welcoming everyone back soon.

## Key Dates

### April

5

Raha Music & Drama Festival sign-up deadline

### June

6

DP Graduation

26

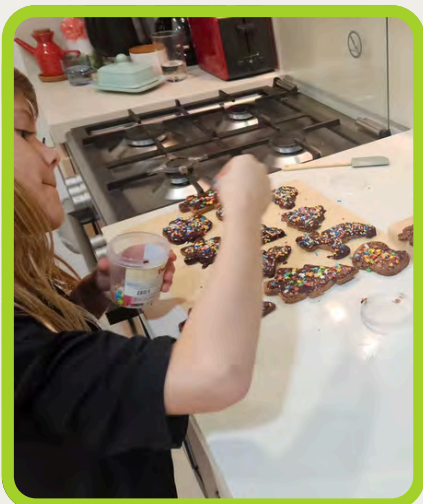

G5 Graduation

29

G10 Graduation

## KCC E-BAKE OFF

## WHOLE SCHOOL

### Raha Music & Drama Festival 2026

We're still hoping to go ahead with this year's festival – and we'd love to see more of you involved!

With Abu Dhabi Young Musician competition unfortunately cancelled, this is a great opportunity to showcase the work you've been preparing. Many of the performance pieces and categories are closely aligned, so you're already in a strong position to take part.

Entries are due this week, so don't miss your chance!

### PYPx Human Library

The Grade 5 PYP Exhibition (PYPX) is a culminating inquiry where students explore real-world issues connected to their passions.

To strengthen authentic connections, we are creating a Parent Expertise & Passion Directory. We would love to learn about your profession, skills, or interests so we can connect students with relevant expertise during their inquiry.

Support may include answering questions, joining a short Q&A, giving feedback, or sharing professional insights. Participation is completely voluntary, and we will only contact you if a relevant connection arises.

Thank you for supporting meaningful, real-world learning.

## Staff Updates

We have some exciting staff news to announce!

We are delighted to welcome Ms. Tiana, who has recently joined our team as our new **EYI Hoobara teacher**.

She comes from a coastal town in New Zealand and holds a Master's in Teaching and Learning. She believes in the importance of taking the time to build meaningful relationships with her learners by understanding their individual personalities. We are excited to have her join our community and look forward to the positive impact she will make.

## National Identity

This week, we are excited to begin sharing a series that highlights how the UAE vision aligns with the IB Learner Profile.

Through this series, we will explore key learner attributes and connect them to the values and legacy of the UAE, helping our students see how these principles come to life both locally and globally.

### Caring

Sheikh Zayed was known for his compassion and generosity, caring deeply for people, communities, and future generations. He believed progress should improve life for everyone.

**Examples in action**

- Establishment of social welfare systems to support citizens
- Investment in healthcare and education for all residents

**"The wealth of a nation is not measured by its income, but by the care it gives to its people."**

**What does this look like in our school:**  
At KCC, we foster a caring community where students support one another through buddy systems, collaboration, and Raha Ambassadors, prioritise wellbeing through restorative conversations and classroom practices, and take meaningful student-led action to promote kindness, inclusion, and empathy.

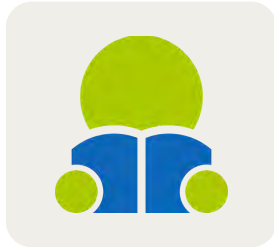

## Flashback to Iftar Boxes for our Facilities Teams

A look back during Ramadan when the best Parent Team gave Iftar Boxes to our security and facilities teams.
