PYPX SYMPOSIUM

A big thank you to all of our expert mentors who shared their knowledge with our Grade 5 students this week. Your presentations were both informative and inspiring.

Well done to our students as well. Your thoughtful questions truly reflected your strong sense of inquiry and curiosity as IB learners.

PYP

World Book Day

23rd April

We are excited to celebrate World Book Day and bring our love of reading to life.

We cannot wait to see the creativity and imagination from both students and staff this year, and we are looking forward to a fantastic display of inspiring and imaginative costumes.

A small reminder how truly magical it was last year

KCC Art Attack Competition (GR1-5)

The PYP Art team is excited to introduce the KCC Art Attack Competition, a fun weekly creative challenge designed to inspire students during distance learning.

The focus is on Assemblage Art, where students can create a large-scale artwork using everyday objects found at home; such as books, clothes, toys, or even food, arranged to form one big image that looks especially impressive from above. The theme for this week, All About KCC, encourages students to reflect on what they love about our school, whether that's their friends, teachers, favourite sports, the KCC logo, or anything that represents their KCC experience. For inspiration, students can watch the Art Attack-style video demonstrating how Ms Amber created the KCC logo using household items.

For instructions and details on how to participate, please check on Toddle.

Winners will be announced every Monday, and we can't wait to see the creativity of our KCC community shine!

WHOLE SCHOOL

PYPx Human Library

The Grade 5 PYP Exhibition (PYPX) is a culminating inquiry where students explore real-world issues connected to their passions.

To strengthen authentic connections within our community, we are creating a Parent Expertise and Passion Directory and would love to learn more about your profession, skills, or interests so we can connect students with relevant, real world expertise during their inquiries. Support may include answering questions, joining a short Q and A, offering feedback, or sharing professional insights, and participation is entirely voluntary, with parents only contacted if a relevant opportunity arises.

Thank you for supporting meaningful, real-world learning. Here's [the link](#): 

National Identity

Our NIM IB Learner Profile of the Week is Balanced (متوازن - Mutawazin).

Our school community continues to nurture the IB Learner Profile attribute of being balanced, inspired by HH Sheikh Zayed's vision of harmony between tradition, progress, and environmental care. At Raha KCC, this is reflected in learning that connects UAE heritage with global perspectives, promotes wellbeing, and encourages thoughtful use of technology. This was evident in our recent PYP Exhibition, where students demonstrated a strong balance of research, action, and reflection.

Balanced

Sheikh Zayed valued harmony between tradition and modern life, and between development and environmental protection.

Examples in action

- Heritage preservation alongside modern development
- Protection of natural environments

"We must preserve our heritage while moving confidently towards the future."

What this looks like at Raha KCC

- Students learning about UAE traditions alongside modern global contexts
- Balanced use of technology to enhance learning
- A focus on wellbeing, play, and academic growth
