

## Messages From The Principal

Dear KCC Families,

It has been superb to see our Coffee and Connect mornings take place alongside showcase events such as the Early Years end of year concerts. This is always a busy time of year, but it is also very special in so many different ways.

We often talk about the importance of partnership between parents, carers and the school. Sharing moments like these together truly reflects that commitment. Thank you, as ever, for your continued support as we look forward to finishing the year as strongly as possible before a well-deserved summer break for all.

We were also delighted to see the MYP's first-ever Science Fair, planned and led by our outstanding students. KCC is committed to moving into uncharted territory and embracing innovation, that is part of our DNA and this event reflected that spirit perfectly. Bravo to all the students and staff involved; it was a real pleasure to see.

There are many more milestone moments ahead, including the Grade 5 and Grade 10 graduations, further coffee mornings and MYP end-of-year trips. It is shaping up to be an excellent final chapter of the 2025–26 school year.

Enjoy this edition of KCC Catch Up, and please look out for my video briefing next week, where I will share a few further reflections.

Regards,  
Mr Peter
