

Message From The Principal

Dear KCC Families,

This week like any other has felt purposeful, proud and of course full of opportunity in so many different ways. I myself am loving seeing ECPs return, the variety of the offer, skillset of our staff and students and the external opportunities that are on offer are really impressive! Thank you to everyone involved.

This week I managed to meet many of our parents across multiple events such as the MYP Settling in evening, Arab Hospitality Coffee morning, MYP Music recital and of course our daily conversations on the school gate. I am so proud of our partnership both through more adverse times such the later part of last year but then also during excellent times such as celebrating the DP Average of 33.2 and many individual graduation milestones.

Talking of MYP, earlier this week I had the pleasure of attending a whole day of networking with school leaders across our Taaleem Group where we shared best practice regarding our MYP educational offer. The conversation was rich, valuable and of real interest, we will always commit to any action such as this that brings that level of focus on PYP-MYP-DP and CP as a very proud IB-Continuum school.

Finally, thank you for the support with the recent fire drill, it was implemented extremely well and delivered expertly. As we grow in size, every single child's safety and wellbeing will always be at the centre of our Health and Safety strategy, and we appreciate the ongoing support with all aspects of this area. With over 2000 students and over 300 staff, it's paramount for a large organisation to all take responsibility over all aspects of movement to and from site, especially the car park and drop off points, thank you.

Mr Pete

PYP Settling-In Meetings (Minis-Grade 5)

6th-8th October

Our PYP Settling-In Meetings will take place from **Tuesday 6 October to Thursday 8 October**. These 10 min meetings provide an opportunity for families and teachers to connect and discuss how students have settled into the new school year, with conversations centred around the ATL Skills of **Communication, Self-Management and Social Skills**, alongside a wellbeing focus.

Meetings will take place **after school**, with **some later appointment times available on Tuesday** to support working families. These meetings are focused on how children are settling into school rather than academic progress, which will be discussed in more detail during our Three-Way Conferences in November.

Please keep an eye out on Toddle next week for your grade-level booking link. When booking, please use the drop-down menu to select your child's Homeroom Teacher and choose an available time slot.

We look forward to welcoming you into school and continuing to build strong partnerships between home and school.

MYP/DP WELCOME RECITAL

Thank you to everyone who participated. It was truly wonderful to see so much talent, creativity, and enthusiasm.

Cultural Coffee Morning

The Arabian Art of Hospitality

Our UAE Cultural Coordinators brought parents together for our first Cultural Coffee Morning and interactive workshop, celebrating the UAE's beautiful tradition of hospitality and community.

Parents discovered the Bedouin roots of welcoming guests while enjoying gahwa and date cake, before decorating their own finjan (gahwa cup) to take home. They also received gahwa powder to share the flavours of Emirati hospitality with their families.
