

Message From The Principal

Dear KCC Families,

At this time last academic year, our KCC community experienced the very sad loss of Pedro, who was then a Grade 8 student.

We remember the extraordinary care, love and support shown across our community at that time, particularly for Pedro's family, friends and Grade 8 peers. As we mark this time of year, we pause to remember Pedro and the positive impact he had on so many people at KCC.

Our current Grade 9 students have also had an opportunity to remember their friend in their own way and reflect on the memories they shared with him.

Our thoughts, love and care continue to be with Pedro's family, his friends and all those within our community who knew and cared for him.

Mr Peter Taylor
KCC Principal

WHOLE SCHOOL

Wear Green

Friday, 9th October

Join us when we mark Mental Health Awareness Day and coming together as a school community to show our support for mental wellbeing.

We invite everyone to **WEAR GREEN** as a simple way to show support, raise awareness, and help create a school community where mental health matters and everyone feels seen, heard, and supported.

KCC Parents Branded Lanyards

Parents who are currently using a plain red lanyard are kindly requested to:

- Visit the **Main Reception**.
- Collect a **red KCC-branded parent lanyard**.
- Wear the KCC-branded lanyard when visiting the school going forward.

Parents who already have a red KCC-branded parent lanyard do not need to take any action.

Thank you for your cooperation and continued support in helping us maintain a safe and secure environment for our students and school community.

PYP

PYP Settling-In Meetings (Minis–Grade 5)

6th–8th October

Our PYP Settling-In Meetings are 10 min meetings to provide an opportunity for families and teachers to connect and discuss how students have settled into the new school year, with conversations centred around the ATL Skills of Communication, Self-Management and Social Skills, alongside a wellbeing focus.

Meetings will take place after school to support working families. These meetings are focused on **how children are settling into** school rather than academic progress, which will be discussed in more detail during our Three-Way Conferences in November.

We look forward to welcoming you into school and continuing to build strong partnerships between home and school.

CP/DP

IBCP Presentation

Thank you to those of you who were able to join us in person for our recent IBCP/DP Parent Evening. I hope you found the evening both informative and enjoyable. For families who were unable to attend, we would like to share the presentation prepared for the event so that you can stay informed and feel fully included in your child's IBCP journey. There will be more opportunities to come together throughout the year, and we look forward to welcoming you to future events.

In the meantime, please feel free to reach out at any time if you have questions or would like further information to: Ms. Margarita - mlozinova@ris.ae.

Please find the presentation [here](#).
